

Gaia-FUN-SSO Circular #9

Launch of Gaia: The launch of Gaia will occur very soon: Thursday 19 December 9:12:18 UTC. The launch will be visible online in a webcast at this address:
<http://www.cnes.fr/web/CNES-en/10537-follow-soyuz-launch-live.php>

Training campaign for the NEA 2013-TV135: Many observations of this asteroid have been performed during the last weeks. They have been posted at : <https://www.imcce.fr/gaia-fun-ss0/campaigns>
we will post there next an astrometric analysis.

New tool for the dissemination of the Gaia alerts next available: A new pipeline for the dissemination of the Gaia alerts has been developed. It will be soon accessible. Further information will be diffused in January.

on behalf of the Gaia-FUN-SSO central node,
W. Thuillot
